Project	Strengthening Career Centres in Central Asia Higher Education Institutions to empower graduates in obtaining and creating quality employment
Acronym	UNIWORK
Ref. Number	544126-TEMPUS-1-2013-1-ES-TEMPUS-JPHES

Objectives: The Practical Placement will have the following main objectives:

1. Learn about the strategy of the University of Alicante regarding employability and entrepreneurship for graduates and students.
2. Learn about the different programmes and services delivered for the students to empower graduates and students in obtaining and creating quality employment.
3. Learn about the evolution and the future frameworks to boost the current employability and entrepreneurship programmes at the UA.
4. Learn about the different cooperation programmes undertaken together in cooperation with the external stakeholders.

Expected Results:

- Obtained a general idea about how an employability and entrepreneurship strategy is built in the university context.
- Obtained information about all the programmes and topics involving employability and entrepreneurship that should be considered to provide a complete and integrated service: a whole vision.
- Obtained a comparative vision to identify fields of work to strengthen Career Centres in Central Asia Higher Education Institutions.
